Dear Parents and Athletes,

Each athlete is required to pay a **\$120** Athletic Fee to participate in Football. Most schools charge anywhere from \$300-\$1,000. We are much cheaper and we will give you the opportunity to make payments. In 2015, football over \$80,000 in football expenditures. We are striving to be the best double school in the state of Georgia and unfortunately high expectations do not come cheap. We also expect each and every parent to participate in every fundraiser. If each parent will just do their small portion, then this program will only continue to improve.
